

Oscar Winner Shaun Tan at the Australian Academy of Design

The Australian Academy of Design is delighted to welcome 2011 Academy Award winner Shaun Tan to present in September. Join Shaun as he takes the audience through his creative process and his journey as an artist/writer, which has involved moving from painting to illustration, and then graphic novels to film, with the central theme that everything comes from a very local and personal source.

The presentation will be part of an Exhibition on the making of Shaun's Oscar winning film "The Lost Thing". Registration includes an invitation to attend the Australian Academy Awards in Animation following Shaun's presentation.
